*A p p o i n t m e n t s*

## *Introducing the Ainsley Morgan January Sale!*

Our sale operates on a three tier system with the first vacancy being made known to us by 31<sup>st</sup> January 2012 and a subsequent further two vacancies filled by 8<sup>th</sup> April 2012.

We appreciate the economic market remains fragile. Taking into consideration that saving money is crucial to most businesses at the moment, we propose to give 2012 a positive kick start for both employers and employees.

The calibre of prospective candidates will not be compromised, quality and customer service is still a huge priority to us and with this offer there is no exception. We will use the same procedures as always to consult with clients and candidates to ensure the most successful placements.

Our **6 month replacement guarantee** still applies as always if things don't quite go to plan\*

If you are considering employing someone new in January why not let us know now? So we can start looking for your next employee.

We are happy to assist in any way we can to make 2012 a great year for your business and help move the economy along in the right direction.

If Harrods is the one and only sale, renowned for top quality at lower prices every January then why can't we provide the recruitment industry equivalent?
